

Talent Scout.
InJoy - Changing Lives.

Verse-1

I remember as I fit was yesterday
In a half empty karaoke bar
The microphone was in my hand
As she approached me straight away

I stopped to sing
I thought I was getting on her nerves
But she just smiled at me
And she suddenly said:

Chorus

Hey I'm a talent scout
I just saw you and I have to say that
You really have a gifted voice
And your appearance is awesome

Verse-2

I signed a contract an they gave me an other name
I was told to forget from where I came
I had professionals pushing my career
And if you'd ask me no I'm not from here

I'm special now
'Cause I am standing on a stage
In front of thousand screaming girls
And all of them shout:

Chorus

Hey you're my favourite star
And I adore you I know all your songs and
Every time I hear you sing
It's just as if I am dreaming

Bridge

But then I got a call from my manager
I was convinced he had some good news
But what he said just knocked me down
Ma label cancelled my contract
So now there's no one to hold my back

I one had a dream of breaking the charts
But now I know I'll never be a superstar

Chorus

What? It's so hard to believe
What just happened It came so unexpected

I thought that they had faith in me
But all they wanted was money

That's the so called business world
They don't make artists the create merchandises
I'm one of their countless victims
I'm a cipher a no one

Outro

I'm like a broken star bedraggled and down
Vanishing in space
Just like a supernova I had my time
But now I am fading away
